Latin American PolMeth I

Programa Final

Viernes 17 de Noviembre 2017 (Centro de Innovación)

8:45-9:00 - **Auditorio Ejecutivo (3rd floor):** Bienvenida y logística

9:00–9:45 - Sesión I:

- **Auditorio Ejecutivo (1st floor):** I. Levin: *Learning about The Influence of Spatial and Temporal Proximity using Regression Trees* (Taller/Workshop A)
- **Sala 300 (3rd floor):** L. Maldonado: *New developments in fixed effects techniques: an illustration using a causal inference perspective* (Taller/Workshop B)

9:45–10:00 - Descanso

10:00–10:45 - Sesión II:

- **Auditorio Ejecutivo (1st floor):** T. Enamorado, B. Fifield and K. Imai: *Using a Probabilistic Model to Assist Merging of Large-scale Administrative Records* (Taller/Workshop A)
- **Sala 300 (3rd floor):** G. López-Moctezuma: *An Empirical Model of Electoral Coalitions: The Case of Mexico* (Taller/Workshop B)

10:45–11:00 - Descanso

11:00–11:45 - Sesión III:

- **Auditorio Ejecutivo (1st floor)**: G. Katz & C. Thomson: *Foreign Policy Attitudes and Security Policy Preferences in the United Kingdom: Applying Latent Class Models to Elite and General Audience Samples (co-authored with Gabriel Katz)* (Taller/Workshop A)
- **Sala 300 (3rd floor):** S. López Cariboni: *Political foundations of electricity theft: evidence from conjoint experiments in Latin America* (Taller/Workshop B)

11:45–12:00 - Descanso

12:00–12:45 - Sesión IV:

- **Auditorio Ejecutivo (1st floor):** C. Le Foulon: *Networks in the Chilean Lower House* (Taller/Workshop A)
- **Sala 300 (3rd floor):** T. Plümper, D. Laroze, E. Neumayer: *Geographic determinants of infant mortality* (Taller/Workshop B)

13:00–15:00 - Almuerzo

15:00-15:45 - Sesión V:

- **Auditorio Ejecutivo (1st floor):** G. Rosas, B. Crisp & S. Olivella: *Using latent scales as anchors in multi-actor IRT models* (Taller/Workshop A)
- **Sala 300 (3rd floor):** R. Queirolo & M. García: Using list experiments in different contexts, the case of Marijuana use in Colombia and Uruguay (Taller/Workshop B)

15:45-16:00 - Descanso

16:00-17:30 - Reunión de planificación (Private event)

Sábado 18 de Noviembre 2017 (Auditorio Facultad de Historia, Ciencia Política y Geografía: 1st floor)

10:00–10:15 - Palabras de Apertura

10:15–11:30 - Keynote de Rocío Titiunik: "*Internal and External Validity in Regression Discontinuity Designs*"

11:30–13:30 - Almuerzo

13:30-14:30 - Conversatorio: Retos y Oportunidades Métodos Cuantitativos en América Latina

14:30–14:45 - Descanso

14:45 - 16:00 - Keynote de Kosuke Imai: "*Causal Interaction in High Dimension*"

16:00 - 17:30 - Cóctel
